

Pupil Premium Development Plan April 2019 – March 2020

School Vision
<p>The targeted and strategic use of Pupil Premium funding supports the team at Castle Hill Primary School in promoting the school's vision of 'Aiming for Excellence'. It is our vision that all pupils, regardless of any barriers they may face, are given the opportunities to achieve their full potential. Through a process of assessing the individual needs of pupils, targeting interventions to address specific gaps in learning and monitoring of academic progress, we aim to ensure that all pupils maximise their potential to achieve excellence. The strong Castle Hill team, comprising teaching staff, support staff, governors, parents and members of the wider community, is committed to preparing all pupils for the future, developing in them a love for learning and the skills required to be successful learners. At Castle Hill Primary School, we aim to provide our pupils with a structured, disciplined, aspirational and happy working environment, where all pupils are supported and encouraged on their journey towards excellence.</p>

Strategy for Pupil Premium Spending

Key Objectives and Principles

The key objective of our Pupil Premium strategy is to ensure the academic attainment and achievement of pupils from disadvantaged backgrounds. Through a range of provision, the strategy aims to accelerate the progress made by our disadvantaged pupils in order to narrow the attainment gap between them and their non-disadvantaged peers (comparative within school and nationally). Fundamental to our Pupil Premium strategy are the following aspects:

- Responsive leadership – leadership which is focussed and driven and which responds to the differing and ever-changing
- Demands of individual pupils and cohorts, in order to implement targeted provision that reflects current need.
- Quality first teaching – excellent teaching which assesses attainment and responds to specific gaps in learning in order to ensure accelerated progress.
- Personalised plans – targeted and time-limited interventions to address specific gaps in learning, reviewed regularly and evaluated for impact.
- Analytical and data driven – effective provision which is evidence based and which triangulates and responds to progress measures from data, books and lessons.
- Behaviour and attendance – robust tracking which identifies potential barriers to learning as a result of behaviour or attendance issues and which allows for individual and family support to be put in place.
- Staff development – informed staff who are kept up to date with the latest research regarding disadvantaged pupils and with current teaching strategies.

A further objective of our Pupil Premium strategy is to ensure the emotional wellbeing of our disadvantaged pupils. Through the identification of specific emotional needs and through targeted support, we work with our pupils to reach a place where they are happy and able to learn. Our Pupil Premium strategy also recognises the importance of raising the social capital of disadvantaged pupils relative to their peers through a variety of enrichment activities.

Our current Pupil Premium strategy is scheduled for review in September 2019.

Summary of Pupil Premium Spending 2019/20			
Provision	Cost	Objective	Evaluation and Impact Review date – December 2018
Teaching and Learning			
Employment of 2 Pupil Premium Champions to lead on Pupil Premium within the school and to provide targeted, small group teaching (Sonia Hayward, Greenbank; Jane Hartley, Rooksdown).	See staffing costs.	Overall objective: To ensure PP children make expected progress in their learning, through strategic leadership, quality first teaching and targeted interventions. Specific objectives: See detail below.	The profile of PP has been raised within the school. Teachers are more aware of their PP children and of expectations regarding progress over current year and key stage. Individual Pupil Profiles have been introduced to identify and address specific areas of need. IPPs are monitored half-termly which ensures appropriate provision is in place and progress is being made. PP budget is constantly reviewed by PP Champions and Finance Team which ensures effective use of PP funding.
Employment of an additional teacher (up to July 2019) and support staff to provide targeted, small group teaching.	See staffing costs.	To ensure PP children make expected progress in their learning, through quality first teaching and targeted interventions.	Progress is monitored closely by class teachers and PP champions. The majority of interventions result in good progress being made. Where insufficient progress is made, children are reassessed to identify potential additional needs and further targeted interventions are

			put in place.
<p>Additional teaching provision - Summer Term: SH Y6 English groups SH Y3 reading, writing and maths JH Y1-3 English groups JH Y1-3 in class support JH YR release time for teachers to support PP children.</p> <p>Autumn Term: SH – small group teaching in Y3 and 4. JH – small group teaching in Y2 and Y4.</p>	See staffing costs.	To ensure PP children make expected progress in their learning, through quality first teaching and targeted interventions.	Children receive small group teaching, which has allowed for specific gaps in learning to be addressed. The targeting of these gaps has resulted in good progress being made against objectives. (See Milestone data and end of key stage data for more detailed analysis of progress).
KS2 Homework club run by SH.	See staffing costs.	To support PP children in the completion of homework tasks.	The regular attenders to the club complete all homework tasks each week. This has allowed for consolidation of learning and pre-learning of concepts.
<p>Regular strategy meetings –</p> <p>Half termly leadership catch-up meetings between SH/JH/TL/RW. Half termly meetings between SH/JH/MR (PP Governor).</p>	See staffing costs.	<p>To ensure a strong leadership team, which is focussed and driven; which is responsive to changing situations, to individuals, cohorts, progress data, evaluations and monitoring.</p> <p>To ensure effective liaison between the two school sites.</p>	Regular meetings have enabled there to be a coherent approach, which has strengthened the PP strategy. Meeting regularly with the SENDCo has provided the opportunity to work closely with the SEND team, which has allowed for more focused support for those

			<p>children who are both PP and SEND. Discussions around data, evaluation and monitoring have enabled a triangulated approach to monitoring progress.</p>
<p>Half-termly monitoring of provision and identification of next steps on Individual Pupil Profiles – impact on progress of interventions and class based learning; progress in books; pupil conferencing; data analysis.</p>	<p>See staffing costs.</p>	<p>To ensure appropriate and effective provision for each child through effective assessment and identification of gaps in learning, implementation of targeted interventions and evaluation of impact.</p>	<p>Half-termly monitoring of IPPs has enabled PP Champions to evaluate provision and to support staff in identifying targets and next steps.</p> <p>Working alongside teachers within the classroom has enabled PP Champions to monitor teaching, resources and progress within lessons.</p> <p>Analysis of data provides PP Champions with information about progress and attainment of individuals. From this, individuals are prioritised for support or extension.</p>
<p>Pupil progress meetings with teachers after each data milestone.</p>	<p>See staffing costs.</p>	<p>To ensure the progress of individual children through identifying gaps in learning, planning future provision and identifying useful strategies and resources.</p>	<p>Discussions with teachers focus attention on the progress of PP children and allow for individuals to be prioritised and for appropriate provision to be put in place.</p>

Training: RWInc training, whole school, both sites.	£2200.	To provide additional phonics support through interventions, based around reading books targeted at specific phonics sound; to develop wider reading and comprehension skills; also writing, editing and working memory skills.	
Discover Numicon, whole school, both sites.	£1840.	To ensure quality first teaching of a range of mathematical concepts, using concrete resources. Updating staff on using an existing resource.	
Clicker 7 Training	£25.	To provide support with spelling and punctuation within writing	
Numicon Starter Apparatus Kit	£325.	To use as an intervention resource.	
Games for Breakfast Club	£50.	To develop a range of skill through play.	
Emotional, Social and Behavioural Support			
From September 2019, employment of an ELSA PTP to provide ELSA support; establish a nurture group; set up a behaviour hub; and undertake a family liaison role.	See staffing costs.	To provide ELSA support to children as needs arise; to work with teachers to identify and implement support strategies. To establish a nurture group to provide support for children in small	

		<p>groups in a nurturing environment and to support those children unable to access the curriculum.</p> <p>To establish a behaviour hub to work with children on aspects of their behaviour; to work with teachers to identify and implement support strategies.</p> <p>To build relationships with parents and to encourage them to feel welcome and included in school.</p> <p>To assist with such things as behavioural support, family relationships, lateness and attendance etc.</p> <p>To attend meetings with outside agencies to support children and families.</p>	
<p>Bereavement training (postponed until April 2020).</p>	<p>£60 x 2 members of staff.</p>		
<p>Enrichment</p>			

<p>Clubs/activities funded for PP children.</p> <p>Parents encouraged through regular letters, newsletter reminders and telephone calls to sign their children up to clubs.</p>	<p>£200 funding per child per year for clubs and school trips.</p> <p>Planned spend - £7,500.</p> <p>Actual spend as of July 2019 - £1,655.42.</p>	<p>To ensure that PP children have access to a variety of activities, allowing them to develop their skills and interests.</p>	<p>Those children who attend after school clubs have benefitted from opportunities that they might not necessarily have had. These opportunities have increased confidence, social skills, co-ordination and enjoyment.</p>
<p>School trips funded for PP children.</p>	<p>Varying costs according to the costs of specific trips – within the £200 funding per child per year.</p> <p>Planned spend - £5000.</p> <p>Actual spend as of July 2019 - £1850.</p>	<p>To ensure that PP children have access to a broad curriculum and learning outside the classroom. To promote cultural capital and broaden the experiences for PP children.</p>	<p>Funding of school trips has allowed PP children to widen their experiences and opportunities. This is particularly true of the Y6 residential trip, where PP children have taken part in team-building and confidence building activities.</p>
<p>Library visit for PP children - autumn term.</p>	<p>Approximately £50.</p>	<p>To encourage PP children to use the library, and to develop an interest in books and a love for reading.</p>	<p>Following the library trip where children were issued with a library card, some children reported making return visits to the library and have spoken enthusiastically about books and reading.</p>
<p>Maths and writing workshops for higher attaining PP children.</p> <p>(Focus for autumn term)</p>	<p>£100 per workshop.</p>	<p>To promote engagement and enthusiasm for learning among higher attaining PP children.</p>
