

Subject Vision 2018-2019

Subject: MFL

Leaders: C Rossiter

To be reviewed September 2019

At Castle Hill Primary School, we aim to provide opportunities for pupils to **explore** the features and intricacies of a range of modern foreign languages, with a focus on Spanish. We strive to create an environment where **fluency** can be developed through **practice** and **confidence** in the use of target language. Through the MFL curriculum, we aim to develop in pupils an **awareness of other perspectives** through exploration of the countries and lifestyles associated with the languages they are learning.
