

Subject Vision 2018-2019

Subject: Physical Education

Leaders: A Barraclough (GB)/ S Gill (RD)

To be reviewed September 2019

Pupils at Castle Hill Primary School will be inspired by physical activity and will be given the opportunity to think critically and creatively through the Physical Education curriculum. The intellectual playfulness they are given will allow the children to develop their knowledge and application of skills. The children will leave school equipped with the resilience and the perseverance required for life long physical activity.
