Putting the Samba into Soccer

Dear Parent or Guardian,

I am writing to inform you that through a partnership with the school, TetraBrazil Soccer Schools will be starting an after school programme for the Year R pupils.

Friday - Multi-Skills

26th April - 15:00 - 16:15

3rd May - 15:00 - 16:15

10th May - 15:00 - 16:15

17th May - 15:00 - 16:15

24th May - 15:00 - 16:15

What is Multi-Skills?

Multi-Skills is a combination of fun games that will include skills used within sports such as athletics, rugby, football, cricket, tennis, team games and other sports. Each week there will be a different topic to introduce participants to each of these areas.

Once the school day has finished, children will get changed in the classroom before joining the coaches. There is no need for parents to come to the school until 4:15pm.

Sessions will be outside, so please send your child with suitable clothing. We recommend that children bring enough layers to keep them warm, they can take jumpers & coats off if they get too hot. We also recommend sending your child with a waterproof jacket & outdoor footwear.

If there is bad weather and the coaches believe it to be unsafe, then the children will complete activities in the classroom.

The sessions will be run on a first come first serve basis.

For more information on the after school sessions please contact the school or ourselves on 07860938302 or email basingstoke@tetrabrazil.co.uk

The club will cost £20 at £4 per session.

To join our sessions, please head to the below website, register an account before selecting the Castle Hill Primary School After School Club that you wish your child to attend. If you encounter any issues please feel free to contact us on 0786093830, and we will assist you further. For more information on our programmes, or to book on, please visit the website below:
