

Meet the Year Group Team		
Head of Year	Class Teachers	PTP Support
Miss C Wyers	Miss C Wyers	Mrs C Mundee
	Mr A Barraclough	Mrs J Austin
		Ms S Unida

Term & Date: Autumn 2

THEME: There's No Place Like Home

<p>English</p>	<p>There's No Place Like Home</p> <p>This half term we will be focusing on Habitats. We will use a wonderfully illustrated book called "Coming Home" and a Sainsbury's adverts to inform our non-fiction writing. The children will build their own "bug hotels" in the secret garden at school, and then write instructions for others. We will also use a poetry book of animals and nature to create our own encyclopaedia extracts. Nearer to Christmas, the children will read the classic text "The Lion, The Witch and The Wardrobe" to write a narrative of their own magical place.</p> <p>Spelling Children will be learning: -Homophones -Plural nouns of words ending in "o" -Revisiting possessive apostrophe in words with regular and irregular plurals -A range of prefixes and suffixes and how they change the meaning of words -Personal spelling lists and a range of strategies for children to experiment with.</p>
<p>Maths</p>	<p>Addition and subtraction The children will explore a range of methods to add and subtract, and apply their learning in word problems.</p> <p>Fractions The children will multiply and divide by 10 and 100 and apply their learning in word problems and other contexts (e.g money and other measures)</p> <p>Measurement and Geometry We will look at interpreting data on a range of graphs, as well as creating our own data and graphs.</p> <p>The children will classify shapes (such as quadrilaterals) and explore angles. Nearer Christmas, the children will also plot co-ordinates and identify lines of symmetry.</p>
<p>Science</p>	<p><u>Animals including Humans</u></p> <p>This half term, the children will take a close look at their teeth. They will learn the different types of teeth, their purpose and how to look after them. They will also note the differences between human and animal teeth, whilst considering their diet.</p> <p>The children will also learn about the digestive system, and animal food chains.</p>

Geography/History	Timelines The children will be ordering key historical events in Britain, in order to deepen their chronological understanding.
Computing	
Art	Monet The children will explore the work of Claude Monet, and they will use pictures painted by Monet to link to colours and times of year.
PSHE	Anti-bullying This half term we will be partaking in national anti-bullying week. The children will also explore how we are all different, and ways in which we can celebrate diversity.
RE	Holy In the lead up to Christmas, the children will describe the concept of holy. We will look at Mary and how the Catholic faith believes she was a holy figure.
PE	Dance and Invasion Games (Hockey, Rollerball, Football, Tag Rugby). Leading to competition and creative game making.
Year 4 PE days are:	Monday, Tuesday
Homework Routines	Monday to Monday spellings Reading and times tables expected at least 4 times a week. (please have their profiles filled in and signed) Abacus will be set Monday to Monday and be based on the previous week's learning
