

Sixth Annual
Inter-School

Scooter Challenge

19-23 June 2017

SCHOOL →

The ever popular Scooter Challenge is back again for 2017

Entering the challenge gives your school a chance to win one of our Scooterpods and two of your pupils a chance to win a family day out. More than 20,000 children have taken part in the Scooter Challenge since 2012. Could it be your school's turn to win this year?

The challenge

To get as many children as possible scooting to school every day from 19-23 June 2017!

The schools with the highest average number of children scooting will win a Scooterpod.

Everyone participating will receive a My Journey sticker and two lucky pupils from each winning school will win a family day out in Hampshire.

Winning prize

Scooterpod for your school plus a family day out

What does school need to do?

Register your school by emailing schooltravelplans@hants.gov.uk giving your school name and main contact details.

In May we will email you a flier for parents and a form for teachers to use to record how many journeys to school are made by each pupil that week.

We will also email an A3 poster which you can print out to advertise the event at school.

We will post you stickers to reward the children who scoot to school that week.

At the end of the week, simply email your totals to the School Travel Plan Team at schooltravelplans@hants.gov.uk so we can announce the winners!

Please also email us or call on **01962 845 638** if you have any questions or want to find out more about travel planning for your school.

Top tips for scooting

1. Pedestrians have priority on the pavement.
2. Stay close to your parent/carer.
3. Be aware of other people using the pavement and be polite and considerate to them.
4. Take extra care when crossing vehicle entrance/exit points e.g. driveways, and remember that the person there first (car driver, cyclist, pedestrian etc.) has priority.
5. Keep away from the kerb
6. Look all around before you start moving, stop moving or change direction, and look where you are going.
7. Wear a helmet and bright, fluorescent clothing to ensure you can be seen.
8. Walk with your scooter when crossing the road, in crowded areas or other busy areas e.g. the school playground.
9. Carry things in a rucksack, not balanced on the handlebars.
10. The Highway Code tells us that the speed limit on pavements is 4mph.

Good luck and have fun scooting!
